Description

A beautiful rare English solid sterling silver and wooden mazer drinking bowl. It is hallmarked for Sheffield 1924 with the makers marks being partially struck but likes like that of Thomas Bradbury & Sons Ltd. It has been superbly made having a wide sterling silver rim and wooden bowl. It is in superb condition, having no dings splits or repairs, a couple of the pins are missing but the silver is secure. It measures approx. 4.75 inches (12.2cm) across by over 2.5 inches (6.6cm) tall and weighs 200 grams. A beautifully clean example.
