Depth = 2 cm (0.8")

Description

We have managed to get 4 late 18th early 19th century book plates and this one is of a hedgehog. Great quality plate with no major faults and a great look. Framed recently in a blue frame and mount. We can change this if you like. Unfortunately not sure what original book this came from but its hugely decorative either on its own or as part of a collection. Height 40cm Width 32cm Price includes UK delivery

Internal Ref: TI3521
