Description

A fine antique Louis XV Revival carved giltwood marble topped console table, circa 1830 in date. This finely carved giltwood console table is surmounted with an exquisite shaped rectangular Italian Breccia marble top above a frieze carved with foliate and floral ornamentation and hanging swags. This is splendidly supported by four turned and fluted legs joined by a stretcher with centered flame cartouche. This piece is truly unique and is guaranteed to bring beauty and charm to your home for many years to come. Condition: In really excellent condition having been beautifully cleaned, polished and waxed in our workshops, please see photos for confirmation. Dimensions in cm: Height 89 x Width 101 x Depth 51. Dimensions in inches: Height 2 foot, 11 inches x Width 3 foot, 4 inches x Depth 1 foot, 8 inches. Breccia Marble is a rock composed of broken fragments of minerals or rock cemented together by a fine-grained matrix that can be similar to or different from the composition of the fragments. Breccia rock can be any colour and is very colourful. The colour is determined by the colour of the matrix or cement along with the colour of the angular rock frag...
