Description

This is a wonderful and most unusual vintage silver plated cocktail shaker decorated all-over with a continuous engine-turned basket weave decoration; elegantly decorative and tactile. Hard to find in smaller sizes let alone this large 2 1/4 Pint size, a true find; I have never come across this mammoth example before. Just back from our silversmith's workshop where it has been professionally cleaned and polished, restoring it to its former glory dating to the 1930's. The underside is signed by the well renowned silversmith, James Dixon and Sons. Excellent condition. An impressive size measuring 5" in diameter x 10 1/4" tall.
