Description

A Warric Arts and Crafts pewter handled bowl, with two Tudor Roses (or perhaps a Lancashire or Yorkshire rose if like me you live in the North!). The bowl is hand made and hand planished, so has the lovely shimmering surface that this hammering process creates, which really catches the light. The shape is wonderfully organic, and looks different in every angle that you view it - (I think it even has a look of a viking ship at times!) Whatever you see in it, it's a lovely addition to any home. Measuring 25cm long, it stands 20cm tall, and 21.5cm wide and is in lovely condition, with just the gentle surface wear to be expected with a piece of this age. Please do not hesitate to get in touch if I can provide any further information or photographs. I offer free UK delivery, and am more than happy to help with quotes for overseas shipping.
