Description

A charming 19th century antique mahogany bow front chest of drawers. The beautiful antique mahogany chest has an arrangement of three long graduating drawers, each fitted with decorative brass backplates and drop handles. The antique chest of drawers has decorative inlay to the top and bottom, also lovely grain and colour throughout. An amazing example of its kind. Item Ref; M-4558 . DIMENSIONS: Height – 91.5cm / Width – 108.5cm / Depth – 55cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and dents to the top, front and sides (pictured), also splits to the side and top (pictured). There are losses and repairs to the drawers beading (pictured), however this doesn't affect the overall integrity of the product. There is also minor evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique mahogany bow front chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a great example of its kind.
