Description

A rare solid sterling silver pencil. It is hallmarked STERLING with the makers mark being that of Sampson Mordan & Co. I would date it to c1900. It has been superbly made having spiral designed case. It is in super condition being free from dings splits holes and repairs and works perfectly. It measures approx. 3.75 inches (9.5cm) long by 0.25 inch (0.8cm) wide and weighs 12 grams including its lead. A very nice quality clean piece.
