Description

Very large 19th century cast iron butchers window display pig,c1890. Beautifully cast and decorated with remnants of original paint around the neck tie, hat etc, it would display well in many rooms including a kitchen. I have seen smaller examples but this is a full size window display example standing at nearly 2 feet tall and weighing 16kg. It has aged well with great patina, just the right amount of wear and rust and no obvious condition issues. Please refer to the detailed photographs and feel free to contact me if you want to view the item or have any questions. Price includes FREE UK delivery. I will happily ship worldwide but this is a large and heavy piece so please contact me for a bespoke quote for your Country. Size: 59cm tall x 25cm wide x 17cm deep, weight 16 kg.
