Description

A high quality and rare weight driven English longcase / grandmother clock by Gillett & Johnston, Retailed by Oldfield Ltd of Liverpool. The beautifully proportioned mahogany case of excellent colour and patination. The arched topped hood with beaded moulding, beneath reeded canted corners terminating with carved acanthus leafs. Crimson silk lined sound frets to the hood sides. The shaped and glazed trunk door with the original latched lock and hinges, flanked by canted reeded columns. Raised panelled base with outer decorative moulding, over the step moulded plinth feet. The case is made to a very high standard using the very best materials and is in excellent original condition. The breakarch silvered brass dial signed to the lower centre Oldfield, Liverpool Ltd. The engraved silvered brass Roman chapter ring with outer minute track. The finely engraved dial centre with engraved spandrels to the corners. Chime / Chime silent subsidiary dial to the arch and Westminster / Whittington selector to the left of IX. A very crisp and well executed dial of the highest quality. The fully restored high quality eight day duration twin weight movement strikes the quarters and ho...
