Description

A unusual boxed pair of Japanese solid sterling silver salt and pepper pots. They are marked STERLING 950 standard and I would date them to c1950s. They have been superbly made being in the form of fans and engraved Mount Fuji. They are in super condition being free from dings splits distortions and repairs. They measure approx. 3 inches (7.2cm) across by 1.75 inches (4.5cm) wide and combined weigh 36 grams excluding the box. Nice clean examples.
