Description

A fine Victorian piece comprising four rosy nine-carat gold rings entwined in a "lovers' knot" with an opal cabochon at their heart. Two of the rings have a smooth shiny finish, two are slight hammered, creating a lovely contrast. There is a brooch fitting but also a ring attached to the reverse so the piece can easily be worn as a pendant around the neck. In excellent antique condition. Size: Approximately 2.3cm diameter. Weight: 3.4g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded.
