Description

A truly stunning rare evening/cocktail handbag made by Koret of Italy in the 1930's. It is in fabulous condition with a outer shell of soft green and cream wool upholstery, on a fixed gold tone frame, decorated with semi precious stones and fastened with a clever gold tone clasp with a turning mechanism and a heavy gold tone chain handle. The interior is a luxurious soft caramel leather lining with two lined slip pockets. It has the Koret logo on one side of the interior with Italy on the other. This fabulous bag is of outstanding quality and would make an elegant present for a loved one, or as a desirable addition to a handbag collection.
