## Description

It is rare to find a pair of these candlesticks in a winning combination of classically styled silver plate paired with glass columns, here we have a set of four! Just back from our silversmith's workshop, where they have been professionally overhauled, restoring them to their formal glory, cleaned and polished. The clear glass columns give them a more contemporary feel, they would suit any interior from traditional to ultra modern. New green baize has been fitted to the undersides to protect your furniture finishes. All four have matching makers marks for William Briggs of Sheffield, they date to c.1860, Victorian in era. Excellent condition measuring 12 1/2" tall. Item: 44200 FREE Worldwide Registered Airmail Directly From the UK

Internal Ref: 44200
