Description

These are a very unusual pair of French early 20th century side chairs. The painted legs give these a great look. The paint isn't original but suits the chairs well. The large seat cushions make these a very decorative pair of side chairs. What is also a nice detail is the brass pull handles on their backs. Measurements Height 77cm Width 52cm Depth 60cm Depth of seat 42cm Height of seat 48cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 6 metres of material (3m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
