Description

These are a stunning pair of 19th century French armchairs with a very nicely carved painted frame and shaped back. The size of these is also impressive making the chairs a great decorative addition to a room. The paint isn't original but not new either and is showing age related wear handsomely. Measurements Height 109cm Width 78cm Depth 77cm Depth of seat 47cm Height of seat 47cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
