Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The movement is the legendary calibre 266 manual winding as used in all military Omegas. The black dial is quite superb having been fully restored and this has the contrasting rose gold hands and markers. It has the Omega symbol on the winding crown. This is the largest vintage watch made by Omega and is 38mm in diameter excluding the winding crown. It comes with a premium black leather strap or a new mesh bracelet. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
