Description

Fine quality mahogany low boy, with a well-figured moulded and cross-banded top with a moulded edge; two short and one long drawer, oak-lined with fine original cast handles and back-plate retaining much of their original fire-gilding; shaped friezes to front and sides, on square chamfered and moulded legs. Circa 1765 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
