Width = 8 cm (3.1")

Depth = 6 cm (2.4")

Description

Here is a french time piece carriage clock sold by a London retailer. Circa 1900. This clock is in good working order. The 8 day movement has been serviced and maintains its original platform escapement. As you can see from the pictures the dial does have some damage to the centre and a crack down the middle. There has been a repair to the major damage to the top of the dial where it commonly fails. PLEASE NOTE..... This item does not come with a 6 month guarantee, the sale will be classed as a trade sale and as such sold as seen in good working order.
