Item Reference: SA972016

Date of manufacture: 19th Century

Dimensions

Height = 79 cm (31.1")

Width = 53 cm (20.9")

Description

This early 19thC English giltwood mirror retains its original glass plate. The gilding is in overall good condition. There is a small sprig missing in between the broken pediment as can be seen in the photos. It is possible that the back boards have been replaced to secure the plate at some point but are totally secure. It is a good countryhouse piece but being a smaller size, would also work well in a contemporary interior.
