

SA972246

Victorian brass dog collar

Price

Sold**Item Reference: SA972246****Date of manufacture: Victorian**

Description

A small Victorian brass pet collar, probably for a small dog, but these can be for a monkey. Super original condition, inside is lined with leather, the padlock has an unusual padlock opening, no key is required. The side pulls up which allows the padlock to be opened and removed. There is some hand etched lettering, but have not been able to make it out. Can be adjusted to a smaller size. Late 19th century. Diameter 6.5 cm D 1.2 cm
