

SA972678

Georg Jensen Danish Silver "Moebius" Bangle.

Price

Sold**Item Reference: SA972678****Date of manufacture: 1960**

Description

Georg Jensen Danish sterling silver bangle. The "Moebius" bangle was designed in 1968 by Vivianne Torun Bulow Hube. The unusual bangle reflects the math term mobius, which is a shape with one surface and one edge in fluid form. Inside measurement 18cm. 1.5cm at it's widest. Weight 54.6g. Comes with Georg Jensen box. Excellent vintage condition.
