Description

Royal House Antiques is delighted to offer for sale this exceptionally large and grand Victorian circa 1860 hand carved Mahogany display bookcase with Astral glazed doors. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. This bookcase is one of the most spectacular pieces of furniture I have ever seen, you can comfortably fit thousands of books in one place with this piece, it truly offers monumental amounts of storage. The shelves are all removable and height adjustable, they each have the period green leather ends, the bookcase has three large drawers which are hidden, you don't really know they are there unless you know they are there. The timber is all solid mahogany with flamed mahogany panels to the door bases. Condition wise we have deep cleaned hand condition waxed and hand polished it from top to bottom, apart from normal patina marks from honest age and use the piece is lovely condition throughout. Naturally the piece splits into two easy to transport pieces. Dimensions...
