Description

A beautiful Victorian locket and chain showcasing a polished slice of agate, which shows all its lovely colours and striped banding when held up to the light. Both the chain and locket are made in slightly rosy nine-carat gold. The bail at the top of the locket unscrews to enable the frame to open - the agate is covered with a bevelled glass on one side so a photograph/picture/pressed flower etc could be inserted between them. Marked 375 (nine-carat gold) on the clasp and 9C on a plaque on the chain. In very good antique condition. The springing clasp is a slightly yellower gold and likely a more recent replacement. Chain length: Approximately 60cm, 23.5 inches. Locket size: Approximately 4.3 x 3.5cm, 4.3cm total drop. Weight: 19.2g. FREE INTERNATIONAL SHIPPING!
