Width = 4 cm (1.6")

Depth = 4.5 cm (1.8")

Description

An exquisite Victorian gold brooch made in Scotland around 1880. It has 8 agates and bloodstones and a very large citrine in the center. On all the top panels there are superbly carved celtic knotwork designs. Although unmarked it has tested for gold and has its original safety chain still attached. One of the best Scottish brooches I have had for sale. WEIGHT; 20grams FREE DELIVERY IN THE UK Payment by Paypal, debit or credit cards or bank transfer Returns within 14 days allowed. buyer pays all postage.
