Description

This quality Antique Micro Mosaic Floral Bracelet is Victorian, circa 1900, modelled in gold-tone metal. Micro Mosaics are a special form of Mosaic that uses unusually small pieces of glass (tesserae) handmade in Italy during the Victorian period. The bracelet boasts beautiful colourful floral Micro Mosaic tile work. Tiny tiles with vivid colours of glass have been hand set depicting detailed flowers. Each mosaic is very fine and beautifully set, making it almost appear like a painting. The outside of the bracelet links are also ridged for extra detail and extravagance. The bracelet has a hook which slides inside a clasp to securely fasten.
