Description

Good pair of French late 19th century bedside cabinets with their original marble tops, marquetry and brass mounts, circa 1890 and in good condition. Decorative with their colour tones of the mahogany and oak, the marquetry and brasses. Originally known as "pot cupboards" as the interior cupboards areas are ceramic lined. Priced as a pair and good to note they are an actual pair, with opposite hinges so they open correctly either side of your bed...that being said, they also work well as side lamp tables in a living room etc. Measuring: 82.5 cm high 40 cm wide 40 cm deep
