Description

Reduced from £7500 Spectacular Louis XV style walnut bedroom suite with king size bed. Exquisite quality with the highest skilled craftsmanship. Phenomenal detail in the exquisite foliate decorative carvings. Beautiful shaping in bed, armoire and matching bedside. Second bedside available to make harlequin pair. Please do study the photographs so you can appreciate the full beauty of this suite. The armoire has shelving in each side cupboard and we could put in a hanging rail in the central wardrobe if required. In the thirty years that we have been searching for beds and bedroom furniture we seldom find suites of this quality. It was undoubtedly a special order in its time. Louis XV furniture was created by the collaboration of complex network of designers and craftsmen. The Menuisier, made the wooden framework of the furniture, which was held together by its structure and wooden chevilles or dowels. The Ebenist then perfected the decorative carvings. The whole suites been carefully restored and cleaned to preserve the lovely aged patina. The side rails on the bed have been adapted to support modern size super king size mattress 150cm x 200cm.
