Description

A beautiful Art Deco solid sterling silver and enamel pill box. It is hallmarked with 925 standard mark. I would date it to c1920. It has been beautifully made having a pink enamelled lid. It is in very good condition being free from dings splits and repairs, a couple of faint base edge marks. The enamel is complete and free from chips repairs and cracks. The inside is gilded and the lids fits securely. It measures approx. 1.5 inches (3.6cm) across by over 0.50 inch (1.5cm) tall and weighs 16 grams. A beautifully designed piece.
