Description

This is an excellent example of a novelty solid sterling silver table lighter, this one designed as a twin handled urn. It is clearly hallmarked on the side for London 1906 with the maker's mark for the highly esteemed silversmith William Comyns. There are corresponding hallmarks on the lid, which fits tightly. The base is weighted and has had green felt attached at some point. The silver is in excellent condition and the item appears to be unused. Dimensions: Height: 9.5cm Width (including handles): 7cm Diameter: 4cm Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
