Description

A lovely example of a Victorian ribbon watch chain, with a gold dog clip at one end and a gold springing clasp at the other. There is a decorative gold buckle-design slider on the black grosgrain ribbon. The clasp, the clip and the buckle are all stamped 9CT and are solid nine-carat gold. It could make a nice bracelet, although you may need to add a little chain for length unless your wrists are very slender! The piece is in excellent antique condition, with usual light surface wear. Length: 14.5cm, approximately 5 and three quarter inches. Width: 1.8cm. Weight: 4.0g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded.
