**Sold**

**Item Reference: SA974714**

**Date of manufacture: 1920**

## Description

This is in wonderful condition and still retains all the manicure tools. They are all silver gilt, everything is marked apart from the larger pair of scissors, but they do appear to be original. The hinges are also silver gilt and fully marked. There are no cracks to the tortoiseshell. The silk lift out tabs on the top and worn through and one of the implements has a chip to one end. London 1919 Henry Dumenil. All the inside fittings lift out so could just be used as a box. PLEASE NOTE THIS CANNOT BE SHIPPED OUTSIDE THE UK. L 19 cm W 14 cm D 3.5 cm
