Description

A well proportioned Victorian antique stripped pine chest of drawers. The antique chest of drawers has two short over three long graduating drawers, each with wooden knobs. The Victorian chest of drawers is raised on four turned feet. Finished with a fresh coat of natural wax. A rather rustic and charming example. Item Ref; M-4526 . DIMENSIONS: Height - 108cm / Width - 107cm / Depth - 49.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage splits to the sides and top (pictured), further scratches to the front. There are also splits and minor losses to some of the drawer knobs (pictured), however they still remain functional. There is evidence of historic woodworm (pictured), however this is now long gone and has been fully treated as a precaution. The antique stripped pine chest of drawers remains structurally solid and sound, with the drawers running well. Finished with a fresh coat of natural wax. Overall, a good example.
