Description

Outstanding International Watch Company gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. It has the legendary IWC in house calibre 8541 fully automatic Chronometer grade movement regarded as one of the finest automatics ever made and known as the "watchmakers watch" as you can see is in superb condition. The dial is in mint original condition, it has never been restored. The water resistant versions of this 8541 are exceedingly rare. It has an armoured glass and the IWC fish symbol on the crown. It also comes with its original IWC stainless steel mesh bracelet also in perfect condition. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 35mm in diameter not including the crown. It will be supplied with the original IWC bracelet and a leather strap of any colour or style you prefer. The watch has just been fully serviced. It has been fully authenticated and found to be a genuine IWC in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch ...
