Description

Gents 1960s Avia De Luxe wrist watch. The watch has a 21-jewel automatic movement which is working nicely. The watch measures 35mm diameter excluding the winding crown and the lugs. The case is gold plated and the case back is stainless steel. The case is in good condition, just a little rubbing to the tips of the lugs. The lens is in lovely condition. The signed dial is in its original condition with original hands. There is a little marking but not too detrimental at all. A new leather strap has been fitted. The watch comes in its original presentation box which is tatty but still nice to have.
