Description

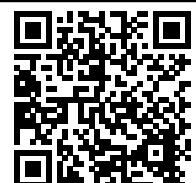

Circa 1910-1930 an unusual and well made oak cherub table lamp in good condition. The cherub is standing on a globe, holding the base of the light. It measures 58cm to the very top of the lamp holder and the base is approximately 20.5cm in diameter. It is a matt soft oak, the light from the camera has picked up surrounding colours and given the lamp a shine. It is in good condition and was professionally rewired by the previous owner. On the lampholder is the TUCKER TELAC MADE IN ENGLAND stamp. Tucker Telac were well known suppliers of electrical parts during this period. Postage and packing within the UK mainland only is included in the price and for outside areas or delivery abroad, please contact us for a quote.
