Description

A Hepplewhite period mahogany serpentine fronted sideboard of delightfully small proportions; the top cross-banded in satinwood with a box wood line inlay; the two deep drawers similarly banded; standing on square legs and spade feet. Circa 1790 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we will be holding an Open Weekend in May.
