

SA975120

Early 20th Century rolled gold
watch albert

Price

Sold

Item Reference: SA975120

Date of manufacture: 1900

Description

Early 20th Century rolled gold watch albert. The chain has a hint of rose gold colouring. The chain measures 32cm long including the T-bar and the clasp. The clasp has a maker's mark for C&B. Also included is an unusual fob pendant. Originally this would have had a catch but this has gone missing over the years, although it still shuts neatly and securely.
