Description

A rather pleasing 18th century antique oak chest of drawers. The antique chest of drawers has a rectangular shaped top with a moulded edge that sits above three short over three long graduating drawers, each with brass drop handles. Raised on four bun feet. Brilliant colour and patina throughout. Item Ref; M-4609 . DIMENSIONS: Height - 85.5cm / Width - 91.5cm / Depth - 54.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage splits to the top and sides (pictured). Further marks, scratches, splits and repairs to the drawers (pictured). There is minor evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
