Description

Early 19th century rosewood book-carrier of high quality and in the manner of Gillows of Lancaster; with finely turned spindles and handles on a rectangular base with a split-turned border. Circa 1820 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we will be holding an Open Weekend in May.
