A wonderful antique Victorian mahogany occasional side table. This was made in England, it dates from around the 1850-1870 period. It is of superb quality, the rectangular top is supported by a barley twist column, which sits on a carved tripod base. It is solid mahogany throughout, with very high quality carving. We have had this re-polished, the condition is excellent for its age. There are various very small marks and indentations here and there, commensurate for age.
