Depth = 12 cm (4.7")

Description

Hi I have for sale a French gilt bronze mantle clock made in France around 1880 and contains the most stunning hand-painted porcelain panels of hummingbirds and wildflowers the colours are so vibrant your eye is drawn to the whole clock, and the clocks case and movement have both been fully restored ultrasonic cleaned and the movement re-built oiled run and tested. The Case The case is in solid gilt bronze and stands 35cm high x 20cm wide with a depth of 12cm it is in perfect condition with mint hand-painted porcelain panels all in original mint condition. The Dial The dial is in original condition hand painted porcelain with black Roman numerals and the original gilt ornate hands. The Movement The movement is an eight-day time and strike which strikes the hours and halves on a small sweet sivered bell, the movement has been fully ultrasonic cleaned and hand polished serviced, and oiled so the clock is keeping good time over the eight days and has the retail/makers stamp for Richard and Co. Overall a very rare beautiful quality mantle clock by a quality French maker that looks stunning on display and contains all of its original features this is quite a rare find these ...
