Description

Antique Waltham Traveler full hunter pocket watch. 1927 The watch has a seven jewel stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 26229111 which dates it back to 1927. The movement is protected by an inner hinged cover. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company, manufacturer of cases for Waltham UK. The case is in nice condition, just some surface scratches to the inside of the back cover and light surface marking, nothing too detrimental at all. The winding crown pushes in to open the front cover. Inside, there is a glass lens which is in good condition. The signed dial is in nice condition with only 2 very faint hairline cracks under the sub seconds dial. The watch has its original blued steel hands. The watch comes in a new presentation box.
