Description

A good floral relief Carved oak twin pedestal desk in very good original condition with a tooled red leather insert surface. The nine drawers are intricately carved with foliage and with "Green Man" mask carved handles. Raised on bun feet with casters. A particularly good example of this type of desk, "The Green Man" is a pagan symbol from Celtic and other European cultures of the underlying life-force and the renewed cycle of growth each spring. Circa 1890. We can arrange delivery or it can be collected from our emporia in Long Melford, Suffolk. Payment by bank transfer, Paypal or card via telephone.
