Description

A good quality wrought iron deed rack, originally from a Solicitor's office in Kingsbridge, Devon. It dates from the mid to late 19th Century and the frame has lovely heart shaped scrollwork to the sides and it is finished with brass ball finials to the top. A very versatile piece, great for a bathroom or kitchen. It is in excellent condition and displays well. The metal has been stripped back and powder coated in a pleasant pewter colour and it has been fitted with toughened glass shelves. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
