Description

These are a truly fabulous set of genuine regency period dining chairs. The decoration is all original and has wonderful attractive wear. The painted details are very fine as are the shapes of the chairs with the sabre legs. Overall condition is very good with minor historic restoration in parts but nothing that takes away from the chairs and all are perfectly solid. The seats are original cane again in very good order with striking blue cushions which lift the chairs but we can of course upholster these for you if you prefer.
