Description

A lovely example of an antique solid sterling silver box profusely decorated with repoussé leaves, berries and garlands. It has a central shield shaped cartouche which is engraved "M de la C C". It is a good quality piece with a gilt lined interior and it weighs approximately 158g. It is clearly hallmarked for Birmingham, 1898 and the maker Deakin & Francis. It is in good condition for its age and displays well. It has picked up some small knocks and minor surface marks and there is a small dink on one edge but no major damages and it displays beautifully. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
