Description

A fine example of a Sterling Silver asparagus server with a plain Old English shaped handle and ribbed tongs. They are excellent quality and weigh approximately 194g. They are clearly hallmarked for London, 1908 and the maker Brewis & Co. They are in excellent condition and have been gently cleaned and polished. There are some faint surface marks but no major damages and they display beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
