Description

A fine example of a George III secretaire. The main body is of good mahogany with the lower base sitting on splayed bracket feet and having 3 working drawers and 1 pull out drawer that reveals the desk area. The top has 3 pull out shelves that can be adjusted to suit. Item is a well used piece with no visible damage but there is some obvious scuffs scratch's which should be expected of an item of this age. Collection is from the LL29 area or please contact seller for possible delivery quote.
