Description

A good example of a small antique silver photo frame locket. It is circular with two photo sections. It has a loop for hanging it on a pendant or it also stands independently on small ball feet. The outer sides are engraved "Cathy" and "Rosa". It is good quality and well made and is fully hallmarked for Chester, 1911 and the maker John Millward Banks. It is in good condition and it displays well. There are no damages. There are some faint surface marks, minor dinks and general signs of age and use but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £20.
