Description

A pair of stylish solid Sterling Silver pepper pots. They are a round egg shape standing on 3 ball feet with a ball finial. They are good quality and the pierced tops screw onto the bases. They weigh approximately 64g. They are clearly hallmarked for Birmingham, 1903 and the makers Hilliard & Thomason. They are in good condition for their age. There are some faint surface marks and some minor dents and dinks into the tops but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
